

# SOLDIERS NEWS

May - June 2009

Welcome to another addition of Soldiers News. Many big events are coming to the Club in the near future. The month of May will be a big one with the Members Super Badge Draw approaching \$20,000. We will also be entertained by "BABBA" and the "DELLTONES". Morning Melodies in June will be as popular as ever with Col Millington performing.

The club would also like to announce that we have become involved with Business Trading Lightly program (BTL), an initiative in which the Clubs Board, Management and staff have embraced to reduce the Club's impact as a business on the environment. This will incorporate new policies, systems and procedures which will have minimal impact on the Club as you see it but have huge benefits to the environment. Also for local businesses don't forget the Bridal Expo in October this year, for stall enquiries please call Andrea at the Club.
