

cool climate wines

Grapes ripening slowly in cooler regions retain crisp acidity and vibrant fruit, producing wines that are fresh, elegant, and expressive.

Expect layers of citrus, stone fruit, and subtle spice flavours that reflect both place and craftsmanship.

	med	lrg	bottle
Exeter Est. - Sauvignon Blanc	9	11	33
<i>Southern Highlands Bright tropical aromas of passionfruit, crisp and fresh, ideal with seafood.</i>			
Exeter Est. - Chardonnay	9	11	33
